Registration to WRG Nanjing 2017

Inline Alpine & Downhill

Dear Sirs,

We are glad to announce that due to the enormous registration's request, FIRS in cooperation with the Local Committee has reopened the registration platform.

From today: July 21 th

Until July 27 th

After July 27th the passwords will be blocked definitively.

Please read carefully:

1) We invite you to make all pending registrations. After the dead line there will be no way to registrate athletes or Staff people.

2) We invite you to make all changes that were requested. After the dead line there will be no way to make changes.

3) Regarding double registrations, our web service will clear duplicates

4) Please check photo file name. It is mandatory to name the PHOTO as written on the guidelines.

5) The photo must be in RGB true color with a resolution of 300 DPI or above. The photo must be done with a light background and there must be a blank margin between the top of the head and the edge of the photo. Size: W 32 mm X H 48 mm (you can crop your photos with <https://pixlr.com/> or similar)

6) The LOC invite you to keep in mind that if the PHOTO of the registered person is not in accordance with the guidelines the accreditation will not be issued.

Sure that we can count on your cooperation and understanding, we send you

Best regards

Siegfried Zistler
